SUMMARY OF THE REASONS FOR DECISION:

The DVD entitled *Joey Silvera's Executions On … Butt Row* is classified as:
Objectionable except if the availability of the publication is restricted to persons who have attained the age of 18 years.

This classification is primarily due to the manner in which the publication deals with matters of sex, in the form of explicitly depicted sexual activity that is intended to sexually arouse the viewer.

The publication contains a version of a feature previously classified in video recording format by the Classification Office. The video recording entitled *Joey Silvera's Executions On … Butt Row* (publication reference no. 9601333) was classified as objectionable except if the availability of the publication is restricted to persons who have attained the age of 18 years. This classification decision was registered on 8 January 1997. The version of the feature on the DVD has been verified as being substantially the same as the video version.

In addition to the feature, sexual activity is explicitly depicted in two of the DVD's extra components. A *Fetish Menu* allows the viewer to access edited compilations of particular "fetishes" taken from the feature. The component entitled *Photo Gallery* consists of several full-page, still images taken from the feature.

Although the DVD's extra components do not contain any material not already included in the feature, the format in which they are presented, particularly the selections within the *Fetish Menu*, does add to the extent and degree to which the publication as a whole degrades and demeans the female participants. However, the impact of this extra material is not significant enough to warrant a more restrictive classification than that given to the video recording.
